Adventure Summary

When the spirit of a long-dead cyclops managed to re-activate an age-old ritual to summon forth a demon lord onto Golarion, you rushed into action. You took command of a group of junior Pathfinders and split from your teammates to lead these other Pathfinders in disabling minor ritual sites throughout the area. With the secondary sites disabled, you and your allies fought your way through an undead dragon and its allies to come face-to-face with the ritual's demoniac architect. Following a climactic confrontation, you defeated the demoniac spirit, but not before the demon lord of storms, Urxehl, began to ascend from a rift in the world. You managed to push back the demon lord's wounded hand, sending Urxehl back to the Abyss and saving Golarion from the invasion of a demon lord.

Items

Ramzi, Brokkr's lawyer, is set to work managing Brokkr's investment portfolio:
 +16m Accounting Lore
 Level 8 task
 16+12=28=success=[3gp*8]=24 gp

 I think that on Chronicle 030 day job was double added, and it was the same value, so I am treating this as zero. And for reasons I don't get, there seems to be one more GP too much, so I'm just deducting it.
