Adventure Summary

When a massive undead army threatened the orc capital of Urgir in Belkzen, the Burning Sun hold called upon the Pathfinder Society for help. You traveled to Belkzen and joined the Burning Sun orcs as they prepared for battle. You made use of the small settlement of Freedom Town as your staging area and were tasked with preparing the city's defenses. There was a lot of work to do and little time to do it, but once Freedom Town was as ready as you could get it, you faced off against the powerful undead that lead the army.
