| You traveled to the jungles of the Mwangi Expanse and befriended a settlement of Ekujae elves. In seeking to aid them, you purged the remainder of the cult known as the Cinderclaws.                                                                                   |  |                       |  |                                                      |  |
| <b>Boons</b>                                                                                                                                                                                                                                                            |  |                       |  |                                                      |  |
| <b>Mwangi Summoner:</b> The Ekujae you met during your travels taught you of the creatures that roam the Mwangi Expanse. You have access to the following creatures for the purposes of appropriate summoning spells: biloko warrior, biloko veteran, eloko, and kishi. |  |                       |  |                                                      |  |
