Magnimarian Debt: The many wealthy and influential attendees of the auction for the Runecarved Key, among them some who actively bid against the Pathfinder Society for the ancient relic, owe you a debt of gratitude for dealing with the assault on the Temple of Abadar. In thanks for saving their lives from the rampaging cultists, the citizens of Magnimar can be called upon in the future to assist you when your life needs saving—or restoring. When you would pay for the casting of a *raise dead*, *resurrection*, or *true resurrection*, you may call upon this favor and reduce the price of the spellcasting service by half. This discount applies to spellcasting services paid for with either coins or Prestige Points. Once you have used this boon, cross it off the Chronicle sheet.

Formidable Renown: Word of your defeat of the cultists of Lissala and your tenacity in the face of the relentless onslaught of summoned outsiders has quickly spread through the ranks of the secretive cult. When facing a worshiper of Lissala, you gain a +2 bonus on Intimidate checks to demoralize them, and can make one such attempt per encounter as a move action instead of a standard action.
