### This Chronicle sheet grants access to the following:

**Variable Rewards:** The gold, XP, and Prestige Points you earn on this Chronicle sheet are based on how many of the quests you complete. Until you play an adventure other than *Honor's Echo*, you can continue to play the other quests and earn greater rewards—even over multiple sessions. Circle the name of the quests you have completed and check off the appropriate evidence and resource boxes below. Before beginning a different adventure, calculate your rewards for this Chronicle sheet based on the table below.

Quests	Gold Pieces	XP	Prestige Points	Other	Grove	<input checked="" type="checkbox"/> Evidence	<input checked="" type="checkbox"/> Resource
1	100 gp	1	1				
2	250 gp	1	1				
3	250 gp	1	1	Impressive Find boon			
4	350 gp	1	2				
5	500 gp	1	2				
6	500 gp	1	2	Well-Earned Reward and either Knight of Taldor or Noble of Taldor			

**Knight of Taldor:** You successfully supported Remaio's bid to redeem the Alcasti name and restore his status in Taldan society. In recognition of your services to Taldor, Princess Eutropia herself made you a knight of Taldor. You gain a +1 bonus on Diplomacy checks when interacting with nobles in Taldor, and a +1 bonus on Intimidate when interacting with the common people in Taldor. After your considerable assistance, Remaio is in your debt. You gain a free courtier's outfit. Additionally, Remaio helps you prepare for one of your future missions. After rolling a Knowledge check at the beginning of an adventure, you may call upon Remaio's contacts to gain a +5 bonus and treat the Knowledge skill as if you were trained in it. Alternatively, you may grant Remaio's bonus to another PC. When you use this bonus, check off the box next to this boon.

**Impressive Find:** A representative from the Pathfinder Society—an organization of archaeologists and explorers—has heard of your discoveries in Taldor and its former colonies and invites you to join the Society as a field agent. Once you earn 12 or more Fame, your superiors award you one additional Prestige Point (but not Fame) in recognition of your excellence. You cannot have more Prestige Points than Fame, and if you would exceed this maximum, the bonus Prestige Point must be spent immediately or lost.

**Noble of Taldor:** You convinced Princess Eutropia that unlike his valiant ancestor Honaria, Remaio is unfit to carry on the Alcasti name. As a reward, Princess Eutropia herself granted you a visbarony. You gain a +2 bonus on Diplomacy checks when interacting with nobles in Taldor, and a +2 bonus on Intimidate when interacting with the common people in Taldor. In addition, you gain a free noble's outfit and several pieces of jewelry to complete the ensemble.

**Well-Earned Reward:** You restored Honaria's good name in Taldor. If you helped Remaio reclaim his own nobility, he is extremely grateful and offers to subsidize the cost of purchasing several items that you found during your adventures. If you instead spurned Remaio, others within the court found your actions amusing and offer you the same discount. You may purchase the treasures listed below at a reduced price: *broken figurine of wondrous power (alabaster pegasus)* (1,000 gp), *treeform cloak* (4,500 gp), and *wand of heightened awareness* (10 charges; 100 gp).

*broken figurine of wondrous power (alabaster pegasus):* When animated, this figurine has the statistics of a horse with a movement speed of 60 feet but can make no attacks. The item can be used three times per week for up to 12 hours per use. When 12 hours have passed or when the command word is spoken, the creature again becomes a tiny statuette. **Aura** moderate transmutation; **CL** 11th (1,250 gp, limit 1)

*figurine of wondrous power (alabaster pegasus):* Other than its appearance, this figurine's functions identically to a *figurine of wondrous power (ebony fly)*. You may upgrade into this item from the broken version above by paying 8,750 gp (10,000 gp; limit 1)

*treeform cloak* (6,000 gp; *Pathfinder RPG Ultimate Equipment* 269)

*wand of heightened awareness* (10 charges; 150 gp, limit 1; *Pathfinder RPG Advanced Class Guide* 183)
