Echoing Paradox: A trace of the magic of the Sanctum of Lost Ages clings to you, and against all odds and reason, a future or past version of you can appear to provide assistance in a time of need. Before you roll an attack roll, a skill check, or a saving throw, a copy of you appears either to flank with you or to grant you a +2 bonus as per the aid another action. If you have an ability that grants a higher bonus on aid another actions, you gain this as a bonus instead; the copy also shares all of your teamwork feats. After the attack, skill check, or save is resolved, the copy fades away, and you are shaken until the end of your next turn by the unsettling paradox of being at two places at once. When you use this boon, cross it off the Chronicle sheet.
