Vou Really Be Goblin: You have spent considerable time—almost certainly too much time—studying gobline, and some of their worst habits have rubbed off on you. As a free action, gain the benefits of one of the following race traits for 1 round. When you use the trait, you may also permanently replace one of your existing traits with the new race trait, following all of the normal rules for selecting traits. When you use this boon, cross it off your Chronicle sheet.  Advantageous Distraction: You are castly distracted, often at just the right time. Once per day as a swift action, you can be momentarily distracted in combat, such as by ducking an axe swing to inspect a toadstool. When you activate this ability, you gain a +2 dodge bonus to AC for 1 round.
