☐ **Trusted Pathfinder:** In the wake of the Aspis Consortium's siege on the Grand Lodge, venture-captains have decided to release several items from the vaults to their most trusted agents. You may check the box preceding this boon in order to purchase one of the following items.

*Armor of luck* (18,500 gp plus the price of a suit of masterwork armor of the appropriate type) You may purchase a suit of armor that has all of the properties of a *banded mail of luck*. This armor may be of any type (such as leather, breastplate, or full plate), but it cannot be made of a special material.

*Circlet of persuasive disguise* (7,200 gp): This splendid circlet functions simultaneously as a *circlet of persuasion* and a *hat of disguise*.

*Elven rune-cloak* (price varies): This diaphanous cloak functions simultaneously as a *cloak of elvenkind* and a *cloak of resistance*. To calculate its price, add 3,750 gp to the market price of a *cloak of resistance*. You may upgrade the resistance bonus to saving throws granted by the cloak following this same calculation (e.g. upgrading an *elven rune-cloak*'s resistance bonus from +1 to +2 costs 3,000 gp).

*Lesser versatile metamagic rod* (6,000 gp): This functions as a metamagic rod (*Pathfinder RPG Core Rulebook* 484) and has 3 charges per day; however, these charges can be used to replicate the effects of any of the following metamagic feats: Extend Spell, Merciful, or Reach Spell.
