This Chronicle sheet grants access to the following:

River Kingdom Notoriety: Tales of your adventures in the Emerald Spire have reached the ears of Echo Woods's local powerbrokers, and they have granted you an opportunity to claim land to develop as you see fit at the low cost of 2 Prestige Points. Refer to the "Land Rush" Chronicle sheet, select a parcel of land that is adjacent to another parcel you own, and list the selected plot of land below. You immediately gain any bonuses tied to the land. Your first parcel of land must be the hex marked "A." You may only purchase one plot of land with this boon, but each additional Chronicle sheet awarded as part of *The Emerald Spire Superdungeon* allows you to purchase more land.

Hex Selected: _____ Benefit: _____ Date: _____

Healing Waters: While on this level, you recovered a sample of water with miraculous healing properties. The magic has diminished over time, but you have been able to sustain part of the enchantment. Treat this as a *potion of heal* (CL 6th, DC 19). When you consume it, the magic is expended, and you must cross this boon off your Chronicle sheet; the dweomer does not survive even if the drinker is under the effects of *alchemical allocation* (*Pathfinder RPG Advanced Player's Guide* 201) or a similar effect that would allow one to benefit from a potion multiple times.
