

Pathfinder Society Scenario #79: The Half-Dead City

Character Chronicle #
001

Scott Gray Cael Madikson 14034 35 Silver Crusade
Player Name A.K.A. Character Name Pathfinder Society # Faction

This Chronicle sheet grants access to the following:

Choose one of the following boons, and cross the other off your Chronicle sheet.

Hieroglyphic Knowledge: While exploring the ancient Tomb of Akhentepi during the annual royal lottery, you studied many ancient hieroglyphs that allowed a difference between the Ancient Osiriani and the modern Osiriani language spoken today. This experience has trained you to perceive linguistic nuances and ancient root words. Before attempting a Linguistics check, you may use this boon to gain a +4 insight bonus on the check. If the Linguistics check is related to the Ancient Osiriani or Osiriani languages, the bonus increases to +8. When you use this boon, cross it off your Chronicle sheet.

Echoes of the Dead: Your chilling experiences in the House of Pantheru have hardened your resolve and strengthened your fortitude against the effects of haunts and the troubling visions they bring. When you fail a Fortitude or Will saving throw against a haunt, you can use this boon to gain a +2 competence bonus on the save retroactively. If the bonus is enough to turn the failure into a success, the save succeeds.

AKHENTEPI'S ARMOR

Aura moderate transmutation; **CL** 7th
Slot armor; **Price** 5,235 gp; **Weight** 10 lbs.

DESCRIPTION

This suit of +1 *stanching* padded armor is of traditional Osirian design, consisting of a quilted cuirass of lightweight, breathable linen; a linen kilt; and a teardrop-shaped groin guard of stiffened linen. Besides its anti-bleeding properties, *Akhentepi's armor* grants its wearer a sense of impending danger. Once per day as a free action when the wearer attempts an initiative check, the wearer can add a +3 insight bonus on that initiative check.

CONSTRUCTION

Requirements Craft Magic Arms and Armor, *anticipate peril*^{UM}, *stabilize*, *cure critical wounds* or *lesser restoration*;
Cost 2,695 gp

SCARAB SHIELD

Aura faint conjuration; **CL** 3rd
Slot shield; **Price** 4,399 gp; **Weight** 6 lbs.

DESCRIPTION

This +1 *light steel shield* is fashioned in the shape of a scarab beetle. Once per day on command, a *scarab shield* grants its wielder a +2 sacred bonus on saving throws against fear and death effects for 3 minutes. At any time while this bonus is in effect, the wielder can end the effect as a swift action for a burst of healing energy. The wielder loses the saving throw bonus, but is healed of 1d8+3 points of damage.

In addition, a *scarab shield* can protect its wielder from swarms. If a mindless swarm attempts to enter the wielder's space, the swarm must attempt a DC 11 Will save. If the save succeeds, the swarm can enter the wielder's space and attack the wielder normally. If the save fails, the swarm instinctively avoids the space occupied by the wielder, completely ignoring the wielder for 3 rounds. This effect ends if the wielder makes any attacks, but the wielder may use non-attack spells or otherwise act without ending the effect. This ability functions once per day.

CONSTRUCTION

Requirements Craft Magic Arms and Armor, *blessing of courage and life*^{APG}, *sanctuary*; **Cost** 2,279 gp

Wand of Cure Light Wounds (2 Prestige)
Wayfinder (250 GP)
