This Chronicle sheet grants access to the following:

Experience with Dark Dreams: You have traveled aboard the *Voracious*, a ship inhabiting its own demiplane off the coast of Leng in the Dimension of Dreams. Your experiences there embolden your mind against dark influences from beyond reality. Before attempting a saving throw against a spell or spell-like ability with the mind-affecting and evil descriptors—or attempting a saving throw against any mind-affecting ability of an outsider with the evil subtype—you can cross this boon off your Chronicle sheet to gain a +4 bonus on the save. Alternatively, cross this boon off your Chronicle sheet on a night when you would be fatigued by a *nightmare* spell or a similar effect; you are not fatigued by that effect and rest normally that night.

By imbibing this bitter dark violet brew, a creature gains the ability to safely access any of the Gloomspires. Though the spires continue to shift for creatures that do not drink Gloomspire tisane, a creature consuming it can access any of the Gloomspires as if they were fixed in place. Additionally, while under the brew's effects, a creature can see twice as far as normal in conditions of fog or mist. For example, it can see creatures up to 10 feet away when in a fog cloud instead of only 5 feet (though such creatures still have concealment). The tisane's effects last for 24 hours. As soon as the effects end, the creature experiences a madness-inducing waking nightmare and takes 1d6 points of Wisdom damage.

When eaten, this sweet-tasting spongy moss grants immunity to energy drain and negative energy effects, including channeled negative energy, for 1 minute. Eating *spectre moss* does not remove negative levels that the creature has already gained, but it does remove the penalties from negative levels for the duration of its effect.
