This Chronicle sheet grants access to the following:

Acquainted with Aslynn: The entity known as Aslynn knows who you are and what you did in Thurl's laboratory. Whether this is to your advantage or detriment is as yet unknown.

Thurl's Bane (Grand Lodge faction): You have uncovered Thurl's secrets and now understand the threat he and his unique minions pose to the Society. You have spent your free time preparing for the inevitable confrontation by studying his constructs' weaknesses. As a free action, you can choose one outsider within line of sight that has the extraplanar subtype but no alignment subtype. You gain two of the following five bonuses against that creature for 1 minute: a +1 bonus on attack rolls against the creature, a bonus on damage rolls against that creature equal to one-third your character level (rounded down), a +1 dodge bonus to AC against that creature's attacks, a +1 bonus on saving throws against that creature's spells and abilities, or a +2 bonus on caster level checks to overcome that creature's spell resistance. If you have a familiar, animal companion, eidolon, or similar ally you acquired from a class feature, you may instead grant that ally these two bonuses using your character level. When you use this boon, cross it off your Chronicle sheet.
