This Chronicle sheet grants access to the following:

Crystalcrag Liberator (Liberty's Edge Faction): Thanks to your leadership and action, the town of Crystalcrag has expelled the tyrant who has ruled it for centuries. This great success inspires you to perform even greater feats when others' freedom is at stake. At the beginning of an encounter that includes one or more hostages or other captives who have a starting attitude of at least indifferent toward you, you can cross this boon off your Chronicle sheet to increase your base speed by 10 feet, gain a +3 dodge bonus against attacks of opportunity, and gain a +2 morale bonus on combat maneuver checks for the duration of the encounter.

Crystalcrag Savior (Silver Crusade Faction): Thanks to your mercy and might, you ensured that the town of Crystalcrag survived the overthrow of its tyrannical leader and did not fall into chaos and infighting in the aftermath, encouraging you to perform similar acts in the future. At the beginning of an encounter that includes one or more allied or noncombatant NPCs, you can cross this boon off your Chronicle sheet to choose one NPC you can see and grant him temporary hit points equal to 5 + your character level, a +3 dodge bonus to AC, and a +3 resistance bonus on all saving throws for the duration of the encounter.

Efreeti's Wish: You secured a wish from an efreeti and managed to prevent her from twisting the wish against you. Choose one of the following benefits and cross the others off your Chronicle sheet.

Wish for Glory: You regain 2 spent Prestige Points, but any points that exceed your Fame must be spent immediately or it is lost.

Wish for Power: You may cross this boon off your Chronicle sheet to gain a +6 inherent bonus to one ability score for 5 minutes.

Wish for Wealth: You earn an extra 350 gp (Subtier 5-6) or 700 gp (Subtier 8-9) for completing this scenario.

Master Smith's Service: The slag giant Valsog is a master craftsman, and he offers to repair a broken item free of charge. You can cross this boon off your Chronicle sheet at the end of an adventure to repair one item as though you had cast *make whole* (CL 10th). Alternatively, if you also own the sword *Gamin the Misforged*, you may cross this boon off your Chronicle sheet and spend 5 Prestige Points to permanently remove the broken condition from that weapon. If you instead spend 25 Prestige Points, you can also increase *Gamin the Misforged's* weapon enhancement bonus to +2. Neither of these improvements modify the sword's market price or resale value.

Oread's Favor: You have earned the recognition of a large group oread geniekin. This boon may be used in conjunction with other boons to grant one or more of your characters access to oread-related options.
