## This Chronicle sheet grants access to the following:

**River Kingdom Notoriety:** Tales of your adventures in the Emerald Spire have reached the ears of Echo Woods's local powerbrokers, and they have granted you an opportunity to claim land to develop as you see fit at the low cost of 2 Prestige Points. Refer to the "Land Rush" Chronicle sheet, select a parcel of land that is adjacent to another parcel you own, and list the selected plot of land below. You immediately gain any bonuses tied to the land. Your first parcel of land must be the hex marked "A." You may only purchase one plot of land with this boon, but each additional Chronicle sheet awarded as part of *The Emerald Spire Superdungeon* allows you to purchase more land.

Hex Selected: \_\_\_\_\_ Benefit: \_\_\_\_\_ Date: \_\_\_\_\_

**Automaton-Aided Convalescence:** You have secured the gratitude of the Steward and its staff, and they are able to repair much of the damage you might sustain over the course of your adventures. You may use this boon while in the River Kingdoms (or at the end of an adventure before receiving a Chronicle sheet or reporting the character as dead) to reduce the Prestige Point cost of any one spellcasting service of the conjuration (healing) subschool by 5 (minimum 0). When you use this boon, cross it off your Chronicle sheet.
