One of the members of the Nirmathi militia offers you a selection of ammunition. You may spend 1,600 gp to purchase 10 pieces of ammunition selected in any combination from the following list, or 800 gp to purchase 5 pieces of ammunition. When you use this boon, cross it off your Chronicle Sheet.

Zurnal's Foe: You defeated Zurnal's protégée Cetenna. You gain access to the following unique magic item at the listed discount.

Slippers of venomous webs (Aura faint necromancy and transmutation; CL 5th; Slot feet; Discounted Price 8,000 gp): These delicate slippers function as *slippers of spider climbing*, and provide the wearer with additional spider-like abilities. Once per day, the wearer can fire a sheet of sticky webbing as a ranged touch attack with a range increment of 10 feet, and a maximum range of 50 feet. If the attack hits, the target is entangled until he frees himself with a DC 16 Escape Artist or Strength check as a standard action. Other creatures can burst the web as a standard action with a successful DC 12 Strength check. Once per day, as a part of an unarmed strike, the wearer can cause fangs to emerge from the boots and deliver a dose of medium spider venom. This poison cannot be extracted from the boots without destroying them.
