This Chronicle sheet grants access to the following:

Apprentice of Coming Back Alive (Liberty's Edge faction): The best way to survive a mission is to avoid trouble in the first place, and the hailing Tamrin Credance has taught you a few tricks for evading enemies. You can cross this boon off your Chronicle sheet before attempting a Bluff or Disguise check, or any check attempted during a chase. You gain a +4 competence bonus on the check.

Delvehaven Star: You were an integral part of the Pathfinder Society's first sanctioned expeditions in Cheliax in many years. In recognition of your role in this important milestone, the Society has imprinted your *wayfinder* with the Delvehaven Star—named in honor of a famous Chelish Pathfinder lodge. You gain a +2 bonus on Knowledge (history, local, and nobility) checks associated with Cheliax, and you gain a +1 bonus to your initiative while adventuring in Cheliax. Furthermore, you can check the box that precedes this boon when spending Prestige Points for spellcasting services to reduce the cost by 2 (minimum 0).

Eye for Traitors (Dark Archive faction): You gain a permanent +1 bonus on Sense Motive checks to tell if someone is lying and on Will saves against illusions. You can cross this boon off your Chronicle sheet in order to re-roll a failed saving throw against an illusion effect and take the second result.
