Death Walker: Your sundry adventures and brushes with death have instilled in you a lust for life and a passion for the Open Road, and clerics find your soul is eager to rejoin your body. If your character is ever killed, when that character is brought back to life by a *raise dead* effect, you receive the *raise dead* as a free, one-time gift. This boon may only be used for a character who has a Fame score of less than 20, as explained in the *Guide to Pathfinder Society Organized Play*. Once this boon is used, cross the entire boon off the Chronicle.
