NOT INTENDED FOR SALE. NO CASH VALUE
 This Chronicle sheet grants access to the following:

Hang in There: Your soul tenaciously clings to life in the most dire of circumstances. You may cross off this boon to allow yourself to be targeted by *breath of life* as long as you died within the last 3 rounds, rather than in the last round as typical for this spell. Alternatively, if two PCs at the table possess this boon, they may both cross off this boon to allow one of the PCs at the table to cast *breath of life* once as a standard action in the next 24 hours; this is a spell-like ability with a caster level equal to the casting PC's character level. This ability functions even if her character level is less than the normal minimum caster level to cast the spell.
