This Chronicle sheet grants access to the following:

Heart Friend Forever (Ally Boon): During a concert on Songbird Station, you met BurgundyBear, an avid collector of Strawberry Machine Cake paraphernalia. You chose to trade away your prized limited-edition release copy of the *Star Sugar Heartlove!!!* album in exchange for material goods—but more importantly, you earned the heartfelt thanks of BurgundyBear. Shortly after this trade, you received a personalized thank-you message from BurgundyBear, marking her as belonging to the Pact Worlds' official embassy in the Veskarium. When slotting this boon, you can call upon your new friend to temporarily assign you a diplomatic attaché familiar with the Veskarium. This attaché knows how to speak Common and Vesk. Their presence grants a +4 bonus to all checks you make to influence skittermanders, vesk, or other residents of the Veskarium. This boon might have repercussions in future scenarios, which you will be told prior to slotting your boons.

☐ **Scoured Stars Memorial (Social Boon):** Thanks to your efforts on Songbird Station, the Starfinder Society earned immense publicity from the Strawberry Machine Cake concert. Organizations and people across the Pact Worlds now go out of their way to assist the Starfinder Society. You can check the box next to this boon to do one of the following:

- Ignore the Fame cost of having your body recovered.
- Ignore the Fame cost of purchasing the Starship Towing boon.
- Reduce the Fame cost of receiving a *raise dead* by 4.

Tip of the Conspiracy (Unidentified Boon): You assisted Historia-7 in learning about a growing conspiracy against the Starfinder Society, though the trail of clues seemingly ended at Songbird Station. This boon represents your involvement in thwarting one of the conspiracy's plans. This boon might have repercussions in future scenarios, which you will be told prior to slotting your boons. Future scenarios calling on this boon will specify what boon slot it must be slotted in.
