This Chronicle sheet grants access to the following:

**Variable Rewards:** The credits, XP, Fame, and Reputation you earn on this Chronicle sheet are based on your level and how many of the quests you complete. Until you play an adventure other than *Starfinder Society Scenario #1-16: Dreaming of the Future*, you can continue to play the other quests and earn greater rewards—even over multiple sessions. Circle the number of the quests you have completed and check off the clues discovered using the boxes below. Before beginning a different adventure, calculate your rewards for this Chronicle sheet based on the table below. You can assign the Reputation to any faction that you have a Champion boon for.

**Dream Whispers (Ally Boon):** Because you researched its dreamspun tales, the Liavaran Dreamer known as Whisperer of Solar Winds has taken an interest in you. When you slot this boon, the Dreamer imparts some knowledge to you in the form of a cryptic comment that may prove helpful later in your mission. Once per adventure, anytime you miss an attack or fail a saving throw, you can call upon the Dreamer's mysterious message. You immediately count your roll as being 2 higher, which may allow you to hit your target or to succeed on your save. If you roll a natural 1 on your attack or save, you cannot use this ability.

**Private Vault (Slotless Boon; Vanity):** The staff of the Communion Vaults takes note of your actions in helping to resolve Whisperer of Solar Winds' dreamspun tales. The staff provide you with a reasonable space of your own within the Communion Vaults. This 20-by-20-foot square chamber can be used to store any major magical finds you've recovered or purchased during your travels. You can bring any number of creatures into this space whenever you like. While this chamber is mostly a personal accomplishment and an area you can show off to others, it does have one tangible benefit: the entire area within your vault is warded by a nondetection effect (caster level 10th).
