

001 PFAP67 The Snows of Summer:

**Mantle of the Black Rider (Assuming the Mantle):** You have accepted the Mantle of the Black Rider, which grants you considerable power in your quest to find Baba Yaga so long as you continue your quest. Once per day as a swift action you may gain a +5 bonus to your Strength score for 1 minute. You may not benefit from more than one Mantle of the Black Rider boon at a time.

002 05-08 The Confirmation:

**Confirmed Field Agent:** Having successfully completed and documented your Confirmation, one of the Three Masters has formally recognized you as a field agent and given you a wayfinder engraved with your name and the date of your graduation. You receive this wayfinder for free. Furthermore, you reduce the Prestige Point cost of any wayfinder enhancement vanities you purchase to modify this wayfinder by 1 (minimum 1).

**Friend Jananira Gavix:** The field agent who oversaw your Confirmation is appreciative of your bravery and camaraderie in the face of danger. She helps you perform research, granting you a +1 bonus on Knowledge checks attempted while you are in the Grand Lodge.

**O Explore, Report, Cooperate:** You have an excellent sense of what makes an exemplary Pathfinder. As a free or immediate action, you may consider whether a particular action you name—such as subduing but not killing an enemy, befriend an NPC, or recovering a particular item—would help realize the goals of the Pathfinder Society. The GM then informs you whether the action's impact would be positive (contributes to meeting a secondary success condition for the scenario), negative (opposes the secondary success condition), or negligible (neither contributes to nor opposes the secondary success condition). If none of these three options accurately reflects the action's impact on the PC's fulfillment of the secondary success conditions, the GM may respond with a phrase of five words or less. Once you use this boon, cross it off your Chronicle sheet.

003 GM PFAP55 The Wormwood Mutiny

**Captured Ship:** You may spend any number of Disrepute to reduce the cost of purchasing the Ship vanity (Pathfinder Campaign Setting: Pathfinder Society Field Guide 62) by an equal number of Prestige Points. 005 GM 04-23 Rivalry's End:

**Fool Me Once:** Grandmaster Torch's sudden betrayal and subsequent escape have left you questioning the motives of everyone around you—particularly your allies. You gain a +2 bonus on Sense Motive checks against current and former Pathfinders.

**O Unexpected Prestige:** You captured or killed Grandmaster Torch in Riddleport, and though he may return one day, word of your deed has spread quickly through the Pathfinder Society. The next time you would fail to gain a Prestige Point for completing a primary or secondary mission, you instead gain the Prestige Point and cross this boon off your Chronicle sheet.

006 05-06 You Have What You Hold:

**Smine's Best:** Following your spectacular performance in the Arena of Aroden, Venture-Captain Holgarin Smine decided to craft a spectacular new weapon (colloquially known as a "Smine") to commemorate your victory. You may apply this boon to any one

weapon made primarily out of metal when you purchase it. Alternatively, you may spend Prestige Points to apply this boon to a pre-existing weapon that the venture-captain modifies for you. When you choose the weapon, record its type below. In addition, increase the weapon's hit point total by 5.

You may add an extra 1d6 points of damage to a single damage roll made against a true dragon at any time in the future. This damage stacks with other bonus damage such as sneak attack and is not multiplied on a critical hit. When this bonus has been used, cross Dragonkiller off your Chronicle sheet.

**Snowmask Induction:** You allied with the Snowmask Clan and returned Iedrek's Shard to its place of honor beside Ranulf's body. The substance is prized by aquatic creatures, and you gain a +2 bonus on Diplomacy checks made to influence creatures with the aquatic or water subtype. In addition, you gain a +5 bonus on saving throws to avoid pressure damage from deep water.

You may use *discern lies* or *greater interrogation* (Pathfinder RPG Ultimate Magic 225) as a spell-like ability using your character level as your caster level. When you use either spell-like ability, cross this boon off your Chronicle sheet.

021 PFAP70 The Frozen Stars:

In addition, you may purchase the *Hurricane Crown* at the price listed on this Chronicle sheet. Maintaining your position as reigning monarch of an archipelago of cutthroat pirates is hard work, and you must expend 1 Disrepute for every experience point that you earn or lose all benefits of this boon. 023 PFAP71 Rasputin Must Die

**Energized By the World Engine:** Whether you used Miloslav's blueprints or your own strength, you have stored a fraction of the World Engine's power.
