This Chronicle sheet grants access to the following:

Forewarned is Forearmed (Sczarni faction): Whoever is after Guaril Karela has armed, Tymon-trained gladiators at his or her disposal. Knowing this, Guaril hires a few specialists to train you and other faction members to better understand and combat this type of foe. You gain a +1 dodge bonus to AC against attacks made with weapons that have the performance quality.

Smine's Best: Following your spectacular performance in the Arena of Aroden, Venture-Captain Holgarin Smine decided to craft a spectacular new weapon (colloquially known as a "Smine") to commemorate your victory. You may apply this boon to any one weapon made primarily out of metal when you purchase it. Alternatively, you may spend 2 Prestige Points to apply this boon to a pre-existing weapon that the venture-captain modifies for you. When you choose the weapon, record its type below. While wielding that weapon, you gain a +1 bonus on performance combat checks as well as a +1 bonus on Intimidate checks made against creatures proficient with that weapon. In addition, increase the weapon's hit point total by 5.
