- ☒ **Sigil Wafer:** You ate a *sigil wafer*, the physical result of a Lissalan ritual containing a portion of an unwilling victim's soul. This grants you a +2 profane bonus to one ability score of your choice that lasts for 1 year from the date of this Chronicle sheet. Denote the selected ability score below.

Ingesting a *sigil wafer* is an evil act that shifts your alignment one step toward evil unless you receive the benefits of an atonement spell. If such an alignment shift would result in an evil alignment, you may no longer play the character in the Pathfinder Society Organized Play campaign.
