This Chronicle Sheet grants access to the following:

**Explorer's Endurance:** You either grew up in or have participated in several expeditions to the Mwangi Expanse and neighboring regions, and you are accustomed to the local hazards. You gain the permanent benefits of the *endure elements* spell but only in hot conditions and only to temperatures of 110 degrees F and below; you gain no bonuses in extreme cold. This is an extraordinary ability. In addition, you gain a +1 bonus on all saving throws against disease and against the distraction ability of swarms.
