This Chronicle sheet grants access to the following:

Allies from Andoran (Taldor faction): During your time in Andoran, you acquired one or more allies who will aid Lady Glorianna Morilla in creating a new Army of Exploration. Mustering such a force will require more time before you see it pay off, but you know that Lady Morilla remembers and rewards her allies well.

Corruption Uncovered (Andoran): Honoring the request of Major Colson Maldris, you sought out and uncovered corruption in Andoran. Discovering such immorality in the fledgling democracy has taught you to be increasingly suspicious, and once per scenario before you make a Sense Motive check, you may add a +2 bonus to the check.
