This Chronicle sheet grants access to the following:

Debt to Corvius (Legacy): You have promised a favor to the despicable genie binder Corvius Vayn. What this favor might entail you can't guess, but anyone who can command an efreeti is likely to have ways to ensure their debts do not remain outstanding. Keep this Chronicle sheet as it may affect the ongoing story in the new edition of the Pathfinder Society organized play campaign.

Efreeti Unchained (Legacy): You unleashed an enslaved efreeti from his captor. What might this portend for the Pathfinder Society and its members? Keep this Chronicle sheet as it may affect the ongoing story in the new edition of the Pathfinder Society organized play campaign.

☐ ☐ ☐ **Freedom for All! (Liberty's Edge):** You hold the ideals of freedom above all, lending your aid to creatures and people alike. You may check a box next to this boon to cast *summon monster II* as a spell-like ability with a caster level equal to your character level, calling forth the creatures whose respect you have earned to aid you in battle.

☐ ☐ ☐ ☐ **In Service to Corruption:** You chose to sacrifice your dignity to help further the Society's goals. While your brief period of servitude to Corvius Vayn was distasteful, you were able to secure valuable information to further the Society's goals, and contacts in Qadira's dark markets. You may check a box next to this boon to gain a +2 competence bonus on Diplomacy checks made to gather information or Sense Motive checks. Alternatively, you may check a box to gain a 10% discount on one item whose total value is not greater than your class level \times 1,000; this discount does not stack with discounts from any other source, and items gained in this way cannot be sold for more than the cost of their original purchase.

☐ ☐ ☐ ☐ **Returning Home (Liberty's Edge):** You found the slaves Phlegos stole, both those still alive and those who passed away. For some there were joyful reunions and for others there were final good-byes. The spirits of those you laid to rest now watch over you, as the prayers of those you saved call forth power to protect you. You may check a box next to this boon as an immediate action to reroll a failed Reflex or Will saving throw. Alternatively, you may check a box as a swift action to gain a +2 sacred bonus to AC for 1 minute.
