This Chronicle sheet grants access to the following:

Courageous Recruit: You rescued Nixa Volsetti, a new recruit to Isgar's army, from Mezodarath's prison. During "A Foul Breed," Nixa grants you a +2 circumstance bonus on Diplomacy checks to gather information. During "The Festering Blot," you gain a +2 circumstance bonus on skill checks pertaining to searching or performing research in libraries. Additionally, Nixa provides you with one additional rumor about Saringallow.

Goblin Slayer: You defeated the goblins who were terrorizing the Escoro family and other local shepherds. You may check off the box before this boon to gain a +1 bonus on Bluff, Knowledge, Sense Motive, and Survival checks against creatures with the goblinoid subtype, as well as a +1 bonus on attack and damage rolls against them. If you have the favored enemy class feature and chose goblinoid as one of your favored enemies, increase your favored enemy bonus against goblinoids by +2 instead. Activating this boon is a free action, and these benefits last for 1 minute.

Repurposed Trap: On your way up to Highfort, you encountered a trap made of bottled brown mold. You recovered some these jars for your own future use; immediately check one of the boxes that precede this boon if you did not disable the trap. So long as you carry a jar with you, you gain the benefits of *endure elements* in hot environments and take a -2 penalty on saving throws against environmental cold. Check one of the boxes that precede this boon to throw a jar at a square as a ranged attack roll against an AC of 5 (range increment 10 feet). If you miss, use the rules for missing with a thrown splash weapon to determine where the jar lands (*Pathfinder RPG Core Rulebook 202*). When the jar hits the ground, it splits open, filling the square with brown mold. The mold deals 2d6 points of nonlethal cold damage per round to anyone in its square. Unlike typical brown mold, it does not expand when fire is nearby—the jarred samples have become somewhat sickly from their long confinement. After you check the second box, cross this entire boon off your Chronicle sheet.
