This Chronicle sheet grants access to the following:

Chalice Champion: You were part of the team that secured the Sargava Chalice for the Pathfinder Society's use. At the start of a chase or pursuit, you may activate this boon to grant yourself a +2 bonus on all checks made to make progress in the chase or pursuit. This bonus lasts the duration of that chase or pursuit only. When you have used this boon, cross it off the Chronicle Sheet.

Infused Extracts: You claimed a number of a dead alchemist's infused extracts during the Sargava Chalice, which you can use at any time in the future. As a standard action that provokes attacks of opportunity (as drinking a potion), you gain one of the following benefits. When you have used a given benefit, check the adjacent box, indicating that the extract has been expended. Abilities that allow you to drink potions more quickly or without provoking attacks of opportunity affect this boon, though abilities that alter the effects of a consumed potion (such as the extend potion alchemist discovery or the *alchemical allocation* spell) do not.
