This Chronicle sheet grants access to the following:

**Explore, Report, Cooperate:** You have an excellent sense of what makes an exemplary Pathfinder. As a free or immediate action, you may consider whether a particular action you name—such as subduing but not killing an enemy, befriendng an NPC, or recovering a particular item—would help realize the goals of the Pathfinder Society. The GM then informs you whether the action's impact would be positive (contributes to meeting a secondary success condition for the scenario), negative (opposes the secondary success condition), or negligible (neither contributes to nor opposes the secondary success condition). If none of these three options accurately reflects the action's impact on the PC's fulfillment of the secondary success conditions, the GM may respond with a phrase of five words or less. Once you use this boon, cross it off your Chronicle sheet.

**Prized Find:** You were instrumental in uncovering a cache of lost records that the Pathfinder Society can use to explore hitherto unknown sites. If you would fail to earn a Prestige Point at the end of an adventure due to failing a success condition, you may cross this boon off your Chronicle sheet to remind your superiors of your past breakthroughs and earn the 1 Prestige Point as if you had successfully fulfilled the condition. You may only use this boon if you would also gain at least 1 XP for completing the adventure (0.5 XP if you use the slow track advancement option).
