CHARACTER PORTRAIT

MANNERISMS AND APPEARANCE

Izzy thinks of himself as a proper drow -- hard, unshakable, above compassion. Despite this, he doesn't have the stomach (or brains) for overt evil acts. He deludes himself into thinking that he acts entirely from self-interest, but to others it is usually clear .that he is a 'nice guy.' He obeys Lolth's command to do 'just a little evil every day' (often salt in the sugar bowl), to satisfy his badass self image

SESSION AND CAMPAIGN NOTES

CHARACTER BACKGROUND

WIS

CHA

Huddled on the eastern shelf of the yawning Underchasm, East Rift is a living symbol of gold dwarf ingenuity and stubbornness, having survived when the surface collapsed into the bowels of the Underdark. Protected by enormous towers connected by a high curtain wall, the gold dwarves are ready to defend themselves against the drow or any other horror that rises from the depths.

You gain Deep Speech as an additional language, you add Dungeoneering to your class skill list, and you gain a +2 bonus to Dungeoneering checks.
